

# Healthy Shoreline Planning Workshop

Iron County

Lakes & Streams Partnership

Saturday  
**June 14**

9AM—3PM

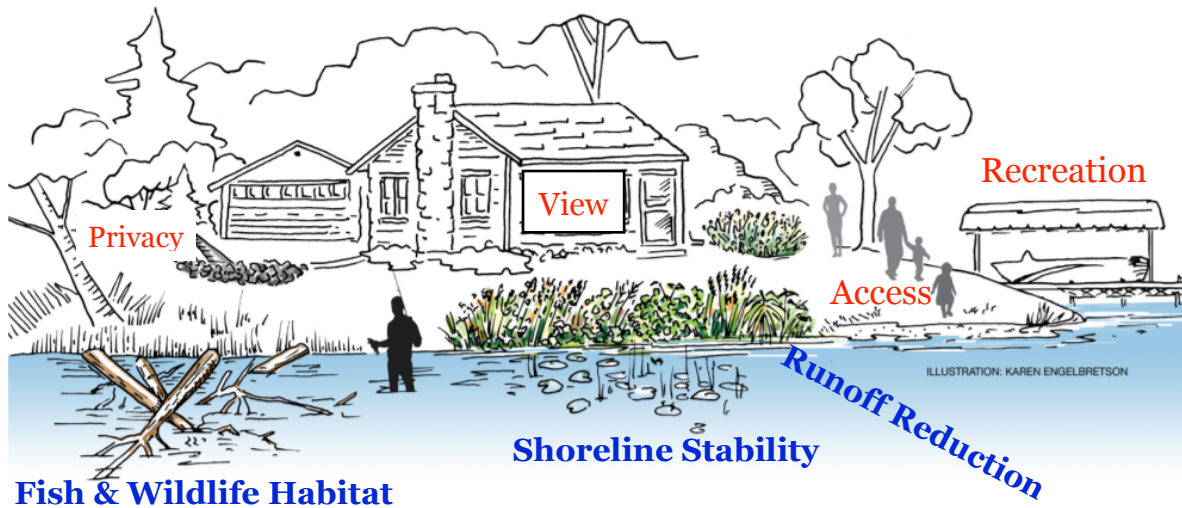

at the

**Windsor  
Center**

612 W Adams St  
Iron River, MI

\$10

donations are greatly  
appreciated!

Learn from the experts how to design your shoreline landscape to protect and beautify your waterfront property!

**Workshop Leader: Erick Elgin**

MICHIGAN STATE UNIVERSITY | Extension  
Center for Lakes and Streams

Join us for a unique learning and planning opportunity. The morning session will focus on best shoreline practices—finding out what is possible.

The afternoon session will shift to making plans that suit your specific property dynamics with the help of knowledgeable educators and professionals.

A Pasty lunch will be provided for participants planning to stay for the entire workshop.

Please choose a Pasty flavor when registering—

- ◆ traditional beef
- ◆ vegetable
- ◆ breakfast
- ◆ Coffee, Water & Soda will be available

Registration is required, please include your name, lake or river where property is located and Pasty choice if you will be joining us for lunch.

Additional information will be sent via email after registration.
